shall be accepted and may not create any precedent

There are 16 or 17 drivers in Nagaland and Manipur besides the provincial Drivers for sanctioning allowance. It might cause dissatisfaction among them and create a feeling of malice or ill-will. These drivers in Nagaland and Manipur are like Kamatis. There are normal Rolls and Amendments. Their posts have only been made permanent, but their grade pay has been revised correspondingly with the Scales prevailing in their Department. So Even after the introduction of this benefit the allowance to this particular Driver has been recommended.
